State Of Rajasthan

----Respondent

For Petitioner(s) : Mr. D.D. Khandelwal
For Respondent(s) : Mr. Mangal Singh Saini, PP

HON'BLE MR. JUSTICE FARJAND ALI

Order

08/12/2021

Learned counsel for the petitioner is directed to place on record the complete set of charge-sheet along with bail applications.

During the course of hearing of several bail applications, it came to the notice of this Court that illegible and unreadable carbon copies/xerox copies of charge-sheets are being provided to the accused at the time of its submission before the trial Court.

In this view of the matter, the Director General of Police is directed to instruct all concerned SHO's of the State of Rajasthan for providing legible copies of charge-sheet under the statutory provisions of Section 173 and 207 of the CrPC, to every accused.

At the same time, this Court deem it appropriate to direct the concerned sub-ordinate Courts to check and verify that the copies being provided by the investigating agency to the accused, are legible. Since getting a copy of charge-sheet is akin to a fundamental right as every accused has a right to know the nature of accusation in which his liberty has been curtailed or he has

been forced to face the rigour of the trial. In this regard, statutory provision contained under Section 173 of CrPC and Section 202 of CrPC are very much clear.

In this view of the matter, both the DGP as well as the concerned Magistrate shall ensure that henceforth, whenever a copy of the charge-sheet is provided to the accused, it must be a

legible copy and carbon copy must be avoided. Registry is directed to send copy of this order to the Director General of Police of Rajasthan as well as to the Registrar General of Rajasthan High Court, for the purpose of circulating the direction to sub-ordinate Magistracy across the State of Rajasthan.

Put up on 20.12.2021.
