(Made by the Hon'ble Chief Justice)

This petition seeks a direction on the State Government to extend the cash benefits to transgenders that the State Government has extended to ration card-holders. It is submitted that most transgenders do not have ration cards and only a fourth or a fifth of the total number of transgenders in this State have ration cards.

2. According to the petitioner, a Board was set up by the State to register all transgenders in the State and issue identity cards. However, such Board stopped functioning even before the pandemic set in, in 2020.

3. It is submitted on behalf of the State that the Government will sympathetically consider the matter pertaining to transgenders and the fact that the eligible persons need to possess ration cards may not stand in the way of their receiving the relief since there are other forms of identity cards that indicate their orientation.

4. The State Government should take a decision in such regard

and come to the aid of the transgenders who require immediate relief.
Let this matter appear on June 7, 2021, for the State Government to
indicate if any measures have been taken in such regard.

5. List the matter on 07.06.2021.
