SUO MOTO WRIT PETITION (C) NO. 6/2020

IN THE MATTER OF:-

IN RE: PROBLEMS AND MISERIES OF MIGRANT LABOURERS

WRITTEN SUBMISSIONS ON BEHALF OF THE UNION OF INDIA

I. ONE NATION ONE RATION CARD (ONORC)

1. It is respectfully submitted that, as part of the ongoing technology driven reforms under the Targeted Public Distribution System (TPDS) in the country, the Union of India had introduced the 'One Nation One Ration Card (ONORC) plan' for the nation-wide portability of the ration cards under the National Food Security Act (NFSA). The ONORC plan aims to empower all NFSA migrant beneficiaries to access their PDS/NFSA foodgrains from any Fair Price Shop (FPS) of their choice anywhere in the country by using their same/existing ration card with biometric authentication. In short ONORC makes food security portable.

- 2. Although the facility of ONORC shall equally benefit all 80 Crore NFSA beneficiaries to lift their foodgrains from any FPS of choice, but it primarily aims to enable migratory NFSA beneficiaries (mostly labourers, daily-wagers, urban poor like ragpickers, street-dwellers, temporary workers in organised and unorganised sectors, domestic workers, etc.) who frequently travel in search of better opportunities or for any other reasons, to access the Public Distribution System (PDS) and if they desire, may lift their entitled foodgrains from any ePoS enabled FPS in the country through portability. It is submitted that, portability gives that choice, while at the same time enabling the family back home to draw the remainder of the eligible ration.
- **3.** It is submitted that, initially, in **May 2019**, the Department had taken up the implementation of One Nation One Ration Card (ONORC) for the nation-wide portability of NFSA ration cards.
- **4.** In **August 2019**, the inter-State portability of ration cards was started in 4 States (2-groups of 2-adjoining States) and by January 2020 a total of 12 States were seamlessly integrated under single ONORC cluster at the national level.
- **5.** Despite the multitude of COVID-19 related challenges in the past year, a total of **32 States/UTs** covering around **69 Crore**

NFSA beneficiaries, i.e. **86%** NFSA population in the country were swiftly brought under the ONORC plan by **December 2020**. The integration of remaining 4 States/UT of <u>Assam, Chhattisgarh, Delhi and West Bengal</u> is expected to be achieved, depending upon the technical readiness of these States to implement the portability of ration cards. The onus on implementing ONORC is on these states.

6. It is respectfully submitted that, the claim of GNCTD regarding launch of One Nation One Ration Card (ONORC) plan in NCT of Delhi is misleading, as they claim to have implemented it only in circle 63 Seemapuri (para 9 of Delhi's Additional Affidavit). Only a handful of transactions conducted in single circle with about 42 ePoS machines cannot be considered as implementation of ONORC. Further, unless the national portability transactions are rolled out formally in all the FPSs of all Circles of NCT Delhi, in which more than 2000 ePoS machines have been supplied and waiting for operation, it cannot be considered as implementation of ONORC. It is pertinent to appreciate that a very large number of inter-State migrants are present all across Delhi (such as migrant workers, numerous street dwellers, rag-pickers, migratory labourers, construction workers, rickshaw pullers, auto/taxi drivers, etc.) who do not have access to their NFSA foodgrains, being away from their own villages/hometowns, are not able to take the benefit of their quota of subsidised NFSA foodgrains in Delhi – as there is no full implementation of ONORC and reporting of such transactions/distribution details of NFSA/PMGKAY foodgrains on the central portals/dashboards.

II. SUITABLE SCHEME MADE AVAILABLE FOR OBTAINING ADDITIONAL FOODGRAINS FOR STATES/UTs

7. It is submitted that, as part of additional food security measures under COVID-19, under phase III of Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY-III), allocation of foodgrains have been made to all the States/UTs for free of cost distribution to all the AAY and PHH beneficiaries from Central Pool @ 5 kg/person/month for two months i.e. May and June 2021 *vide* this Department's letter dated 26.04.2021. The above said allocation under PMGKAY-III has been made to all States/UTs in addition to their respective normal TPDS allocation as per NFSA, 2013. This scheme covers about 80 crore beneficiaries. The distribution under PMGKAY III is already underway. Also, its further extension for five

months upto November, 2021 has already been announced by the Prime Minister in his address to the nation on 07.06.2021.

- **8.** In addition to the above Scheme, this Department has also undertaken/extended various schemes to enable all States/UTs to obtain any additional quantities of foodgrains, as per their requirements, under the Open Market Sales Scheme (D) from FCI at subsidized rates for various categories as under:
- wheat and rice stocks easily available in open market, Government of India has liberalised OMSS (D) policy for the year 2021-22. Under the policy, rates have been made attractive and uniform rate has been fixed pan India during Covid period. The Reserve Price of Wheat has been fixed for various categories of wheat including FAQ (All crops except RMS 2021-22): Rs. 2100/- and FAQ (Crop year 2021-22): Rs. 2150/- per quintal. Reserve Price of rice has been fixed for State and Central Govt. Schemes as Rs. 2000/- per quintal and for Private parties as Rs. 2200/- per quintal.
- **8.2** The Government of India has extended the scheme of supplying food grains to Charitable/Non- Governmental Organizations etc. engaged in relief operations/ running

relief camps for migrant labourers/ vulnerable groups due to present Covid situation.

- 8.3 The Government of India has extended the scheme for food grains for all the beneficiaries, who are not covered under NFSA and to whom ration cards have been issued by the State Governments under their own scheme @ 5 kg per person per month.
- **8.4** The Government of India has extended the Scheme for Small (Private) traders for Wheat and sale of Wheat & Rice to State/UT Governments under retail sale.
- 9. It is submitted that the Union of India is committed to make sufficient foodgrains available to the States at highly subsidized prices under the above schemes, to tide over the difficulty of food security during the current crisis, however, the responsibility of identification and distribution to the beneficiaries lies with the States/UTs. All the States/UTs have been advised through the communications dated 20.05.2021 and 25.05.2021, to avail their requirements of foodgrains through the mentioned schemes, to provide foodgrains to those who are not covered under the NFSA including migrants/stranded migrants, as per locally assessed requirements. The copies of the letters dated 20.05.2021 and

25.05.2021 are annexed herewith and marked as "ANNEXURE R/1" & "ANNEXURE R/2" respectively.

- **10.** It is submitted that, most of the States have given details in their respective Affidavits, of mechanism being executed by them for providing foodgrains/cooked food to unregistered beneficiaries, including migrants/stranded migrants. A summary of their submissions, from their affidavits, on 3 key points, *viz.*, i) ONORC, ii) Registration of Migrants, and iii) food security for persons unregistered under existing schemes, is annexed herewith and marked as "**ANNEXURE R/3**".
- 11. It is submitted that so far in 2020-2021, States/UTs have purchased a total of nearly 3.70 LMT of foodgrains from the FCI under OMSS (D) 2021-2022 till date this year, at concessional rates for catering to additional requirements for distribution to non-NFSA state card holders and other non-card migrants. Further, NGOs/Charitable organizations have purchased a quantity of 421 MTs. Herein, NGOs run kitchens for supply of cooked food to non-card migrants.

Government of India
Ministry of Consumer Affairs, Food & Public Distribution
Deptt. of Food & Public Distribution

Krishi Bhawan, New Delhi Dated: 20th May, 2021

To,

The Principal Secretaries/Secretaries,
Food and Civil Supplies Department (All States/UTs)

Subject: Various Food Security Measures announced during COVID 19(2021)-reg

Sir/Madam,

As part of additional food security measures under COVID-19, under phase III of Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY-III), allocation of foodgrains have been made to all the States/UTs for free of cost distribution to all the AAY and PHH beneficiaries from Central Pool @ 5 kg/person/month for two months i.e. May and June 2021 vide this Department's letter dated 26.04.2021. The above said allocation under PMGKAY-III has been made to all States/UTs in addition to their respective normal TPDS allocation as per NFSA, 2013. The distribution under PMGKAY III is already underway.

- 2. In addition to the above Scheme, this Department has also undertaken/extended various schemes vide respective circulars/orders to enable all States/UTs to obtain additional quantities of foodgrains for various categories as under:
- (i) In view of resurgence of Covid, with the objective to make wheat and rice stocks easily available in open market, Government of India has liberalised OMSS(D) policy for the year 2021-22. Under the policy, rates have been made attractive and uniform rate has been fixed pan India during Covid period. Reserve Price of wheat has been fixed for various categories of wheat including FAQ (All crops except RMS 2021-22): Rs. 2100/- and FAQ (Crop year 2021-22): Rs. 2150/- per quintal. Reserve Price of rice has been fixed for State and Central Govt. Schemes as Rs. 2000/- per quintal and for Private parties as Rs. 2200/- per quintal. Copy of policy circular dated 30.04.2021 is enclosed at Annexure-I.
- (ii) The Govt of India has extended the scheme of supplying food grains to Charitable/ Non-Governmental Organizations etc. engaged in relief operations/ running relief camps for migrant labourers/ vulnerable groups due to present covid situation. Copy of policy circular dated 30.04.2021 is enclosed at Annexure-II.
- (iii) The Govt of India has extended the scheme for allocating food grains for all the beneficiaries, who are not covered under NFSA and to whom ration cards have been issued by the State Governments under their own scheme @ 5 kg per person per month. Copy of policy circular dated 05.05.2021 is enclosed at Annexure-III.
- (iv) The Govt of India has extended the Scheme for small (private) traders for wheat and sale of wheat & rice to State/UT Governments under retail sale. Copy of policy circular dated 30.04.2021 is enclosed at Annexure-IV.
- 3. In addition to actively promoting the use of portability through One Nation One Ration Card(ONORC) for NFSA beneficiaries, it is advised that States/UTs may also use the different schemes detailed above to get additional quantities of foodgrains, as per the need, from the FCI, for distribution to selected target groups including other migrants/stranded

migrants, as per locally assessed requirements.

Yours faithfully,
