10. Wildlife Warden of Silent Valley Division will be the nodal agency for co-ordination and providing necessary logistics for this purpose.
11. If there is already any such scheme, what is the stage of the implementation and how effectively it is being done and whether any further improvement will have to be made in the scheme for this purpose to avoid such tragedies and submit a report along with their suggestions and recommendations, so that the Tribunal can give certain directions to the Government to implement the same in its letter and spirit to avoid such things in future. One month time is granted to the committee to submit the report.
